

ADREA TYLER

“Adele” Tribute Artist

Back by popular demand is Andrea Tyler. In 2013, Andrea began impersonating Adele. She has been gracing the stage for over 20 years and has shared the stage with Sir Elton John, Barry Manilow, Jessica Simpson, Vanessa Williams, Mark McGrath, and Michael Bolton. She currently travels the world performing as Adele in exotic places, including Fiji and China, to sold-out crowds.

Andrea’s voice can be heard portraying Adele on radio stations in over 13 countries. “The closest sounding voice to Adele they’ve ever heard,” that’s a quote from BBC and Radio Producers in the UK. She was also sought out by UK’s television station BBC1 for a primetime special called “Even better than the real thing,” featuring the world’s best tribute artists. No lip-syncing or recordings during her performances. Every single note you hear is Andrea singing live!

Andrea perfectly captures Adele's quirky humor and British accent on stage while nailing all of the iconic sounds of the pop icon superstar. Her performance will leave you feeling as if you were right in front of the real thing.
